**THESE THINGS SHALL BE**

*These things shall be, a loftier race  
Than e'er the world hath known shall rise,  
With flame of freedom in their souls,  
And light of knowledge in their eyes.*

*They shall be gentle, brave, and strong;  
To spill no drop of blood, but dare  
All that may plant man's lordship firm  
On earth, and fire, and sea, and air.*

*Nation with nation, land with land,  
Unarmed shall live as comrades free;  
In every heart and brain shall throb  
The pulse of one fraternity.*

*New arts shall bloom of loftier mould,  
And mightier music thrill the skies;  
And every life shall be a song,  
When all the earth is paradise.*
