

THE "MEMORY BOOK"  
GEORGE P. PHENIX HIGH SCHOOL  
1932 - 1968

"Baby Pirates"  
High School

## PREFACE

This publication is a reprint of the original Phenix High School Memory Book that was coordinated by the late Mrs. Elizabeth M. Hines in 1968. This reprint is being dedicated to the memory of Emory T. Turner, class of 1956, author of the Phenix Swan Song, "The Unending End". Due to his untimely death this summer, Emory did not live to see this reprint distributed.

- This reprint is a project of the Phenix Class of 1963. Anyone who desires to obtain a copy of this book may send a request and \$ 10.00 donation to the

Phenix Class of 1963  
P. O. Box 4001  
Hampton, VA 23664

The donation will help to offset publication and distribution costs and assist the class of '63 in sponsoring activities.

The class of 1963 would like to thank Charles 'Eddie' Thornton '60 for the use of his Memory book and Robert Mann '57 for his help in compiling the class lists of 1955 & 1956 which were omitted from the original book.

Reneau A. Perry  
Class of 1963  
August, 1993

## DEDICATION

This publication is proudly dedicated to every one who played a part in the growth and the development of Phenix High School. The thousands of students and parents, the hundreds of teachers, the seven principals, the three assistant principals, the many supervisors, and the thousands of loyal patrons and fans deserve great praise for their genuine interest in the school and the students through the years 1932 -1968.

Surely, this institution is still a credit to our local community, our nation and our world. The very effective and desirable manner in which our students are performing on their jobs, in their families, and in community activities makes us proud that we were a part of "Dear Ole Phenix".

Although the name of Phenix High School has been officially erased, there is still an indelible imprint within the minds and hearts of all loyal Phenixites. May we long remember its glorious past, and may we continue to hold on to the many good aspects of the Phenix heritage.

## A COUNSELOR'S MESSAGE

Greetings, All Phenixites,

It is a pleasure for me to be the one to say these words in memory of Phenix High School. I count myself among the privileged few to have been associated with so many persons who were a part of that great institution. Through the years, I have watched the students and graduates grow into very desirable young men and women. Reminiscing about the future, I often think of the times that we studied, worked, and played together. It has been heartwarming to see many of your dreams and aspirations materialize. Like a proud parent, I beam with pride every time I hear or read salutary reports about you. Here's wishing you continued success and happiness.

In 1968 when the changes took place in the school system, little did we realize that the situation would have been as it is. During the rapid change over, many of the trophies, pictures, records, and other memorabilia that were a part of our Alma mater were misplaced or destroyed. Realizing too late what was happening, I attempted to salvage some of the information that will be found in this publication, in a special scrapbook, and a few pictures and programs that are on file. Many groups have requested

graduation lists for class reunions, special studies, and projects.

I believe these priceless bits of information and objects should be available to all who may need them, so I have decided to organize the information and place it where more persons may be able to use and appreciate it. Thanks to the members of the Beau Brummells Club for consenting to be custodians of this reminiscent information. We hope that these memories will be shared by the many students and that every one will be inspired to continue the good work which was instilled at dear old Phenix.

Sincerely yours,

Elizabeth M. Hines

## A BRIEF HISTORY OF THE SCHOOL

In September, 1932, the doors of one of the most modern schools in the country opened in Hampton, Virginia. Phenix Training School was named in honor of Dr. George P. Phenix, who was president of Hampton Institute at that time. Owned and operated by Hampton Institute, the school was built to serve as the laboratory school for teacher training. Students from all grade levels one through eleven attended the school. At the beginning, it was a private school for students whose parents were granted permission and/or paid a small fee for children to attend. During the late thirties and early forties, Elizabeth City County and the City of Hampton, leased the building, and it became a public school with the teacher training program still operated by Hampton Institute. In the late fifties, the name changed to Phenix High School.

In 1962, the City owned Phenix High School moved to a new location on LaSalle Avenue. Because of the integration of public schools in Hampton, the 1967-1968 term was the last for Phenix High School. The name was changed to Pembroke High School.

The following persons served as principals:

1931 - 1940	Ian Ross
1940 - 1941	Carl Hill
1941 - 1948	John M. Botts
1948 - 1950	G. James Gholson
1950 - 1954	Clifford B. Howlette
1954 - 1966	G. W. Stevenson
1966 - 1968	D. J. Montague

### ALMA MATER

Our strong band can ne'er be broken  
Formed at Phenix High  
Far surpassing wealth unspoken  
Sealed by friendship's tie.

High School life at best is passing  
Gliding swiftly by;  
Then let us pledge in word and deed,  
Our love for Phenix High.

### CHORUS

Dear old Phenix, Dear old Phenix  
Deep graven on each heart  
Shall be found unwavering true  
When we from life shall part.

## ACADEMIC PROGRESS

Naturally, all of us are proud of Phenix and its contributions. This institution will long be remembered for its distinguished service to young people, to the immediate community, and to the wider state, national, and international areas of the world.

All loyal Phenixites and those who recognize the truth will agree that Phenix has gained for itself, an enviable place in the eyes of the world. Here we shall attempt to present a capsule survey of Phenix's growth toward greatness with special emphasis on the academic area.

In the outset, we might say that with regard to rating or accreditation, Phenix met the requirements for full accreditation since the early forties. It can boast of a competent and qualified faculty throughout the years. In the early 1950's Phenix had the distinction of having more teachers with masters degrees in proportion to the number of teachers than any school in the state. During that same time period, all teachers held a B.S. degree.

No matter what type of degree our teachers held, all of them put forth every effort to bring out the best in the students. They have attended summer school, workshops and evening classes, traveled at home and abroad and they have worked diligently with city supervisors and the supervisors at Hampton Institute, often they spent their own money to purchase materials that would benefit the students. As a result our students have excelled in the academic area to such an extent they entered colleges throughout the U.S. and were able to cope with students from other schools throughout the nation.

Through the years, the teachers worked diligently with the students, and encouraged them to excel in academic pursuits. Each class attempted to raise the standard of excellence set by the preceding class. Students continually ranked high on national competitive tests. They received scholarships and honors from the National Scholarship Foundations, colleges, and local organizations.

Over a period of thirty-five years, approximately 3,681 students have been graduated. Many others transferred to other schools or dropped out of school shortly before graduation. Although we do not have an accurate figure on dropouts, we believe that most of the students remained in school. They liked Phenix and they seemed highly motivated to get a good education.

Over a period of more than thirty years, Phenix graduates attended institutions of higher learning in some of the best in the nation. In most instances they were admitted to any college to which they applied and qualified, and the attrition rate was very low. The high cost of a college education was one of the main factors which prohibited many students from applying to some of the

colleges.

The development of the Financial Aid Programs throughout the nation made it possible for more students to enroll in many more of the integrated colleges. Many of our graduates have made outstanding records and contributions.

## FOLLOW UP REPORTS

Follow up reports on students-graduates, dropouts, and transfer students - became important to some extent during the late forties. Since there was no systematic manner of reporting, we regret that complete studies for each class are not available. The sketchy reports which follow will reveal a few facts about some of the classes.

### THE P.T.A. SCHOLARSHIP PROGRAM

The P.T.A. was one of the most dynamic forces in Phenix School. The growth and development of the school was possible only because of the support and the encouragement of interested parents and friends. As the Phenix Scrapbook indicates, parents opened their hearts and their purses and devoted much time and effort in the interest of the students.

The scholarship program is one of which we can be justly proud. From the report which follows, it is evident that the students appreciated the financial aid and that they took advantage of the opportunities which the PTA offered them. No doubt, the scholarships and awards were the things that gave them incentives to go to college and do their best.

### SUMMARY OF P.T.A. SCHOLARSHIP REPORT

1. Number of years involved - 23 (From 1943 to 1967; there was not a graduating class in 1949.)
2. Total Amount Awarded - \$ 6,250
3. Number of Recipients - 77
4. Follow-up of Recipients
  - a. Number that entered college - 62
  - b. Number that completed college - 36
  - c. Number still in college (1961 to date - 1968) - 15
  - d. Number that dropped out of college - 11
  - e. Number receiving degrees beyond college or still studying
    - (1) M.A. Degree - 1
    - (2) M.D. Degree - 5
    - (3) Pharmacy - 1
  - f. Number still studying - 15
  - g. Positions held by graduates
    - (1) Physicians - 5
    - (2) Nurses - 1
    - (3) Teachers - 25
    - (4) Chemist - 1
    - (5) Research Scientist - 1
  - h. Deceased - 3

A more comprehensive year by year report will be found on the next pages.

## THE FINANCIAL AID PROGRAM 1941 - 1967

**Approximately 772 Students Received Over \$ 700,858.00**

Before the early forties, our graduates received some financial aid through work-study programs and through gifts from philanthropists to continue their education. Hampton Institute and the P.T.A. were among the first to offer financial aid. Since there were no official guidance counselors until 1958, senior class sponsors and teachers solicited funds from churches, sororities and fraternities, and other community organizations for promising students. During the mid-fifties, more and more opportunities became available through competitive examinations sponsored by the United Negro College Fund, the Merit Scholarship Program, Private and State Colleges, athletic grants, and state and federal programs. Counselors worked diligently to ascertain the programs that were available, informed teachers and students of the requirements, and attempted to motivate every one to excel in academic pursuits, extra-curricular activities, and citizenship. We believe that we were greatly rewarded for our efforts. A report under the title Dollars For College is on file at the Beau Brummell Club which lists the year by year activities--the donors and the recipients. The following summary reveals the extent of the program:

### Scholarships, Awards, and Grants

Year	Recipients	Amount	Year	Recipients	Amount
1941	1	125.00	1954	23	3,770.00
1942	2	130.00	1955	13	4,150.00
1943	4	230.00	1956	36	22,165.00
1944	6	355.00	1957	44	26,575.00
1945	7	408.00	1958	33	33,140.00
1946	8	485.00	1959	47	19,900.00
1947	10	575.00	1960	44	27,047.00
1948	7	750.00	1961	80	80,505.00
1949	No graduates		1962	68	104,749.00
1950	7	666.00	1963	51	70,113.00
1951	8	1,630.00	1964	54	66,691.00
1952	14	2,525.00	1965	46	108,211.00
1953	10	3,262.00	1966	52	91,290.00
			1967	60	31,411.00
			*1968	Not Available	
			Total	772	700,858.00

\* We regret that the report for 1968 not available. In our haste to move from Phenix to Bethel, the folder for 1968 was misplaced. The rapid increases in scholastic ability and financial aid causes us to estimate that the figures for 1968 may be as much or more than the previous years.

## ENRICHMENT PROGRAMS AND ACTIVITIES AND SPECIAL HONORS

Many of our students have had the advantage of worthwhile experiences and activities which have enriched their lives and increased their effectiveness in their classes. Some of these include the following programs:

1. Tours to various points of interest in our local community, in surrounding areas in distant areas - New York, Washington, California and foreign countries.
2. Summer Programs
  - a. Yale Summer High School and Morehouse Summer High School
  - b. Institutes - Science and Math, Aerospace, Humanities, Music, and French, and National Defense Guidance Institutes.
3. The Advanced Placement Program sponsored by Hampton Institute for more than seven years for English, Biology, and Calculus classes.

The school boasts of one Merit Scholar and one Honorable Mention. Since the beginning of the Negro National Achievement Program sponsored by the Merit Scholarship Corporation which began eight years ago, Phenix has had five National Achievement Scholars.

During the last ten years about 45 percent of the graduates entered college and sought degrees in varied fields. They studied and succeeded at all of the leading predominantly Negro Colleges, and they also succeeded at many integrated schools.

**THE PTA OBSERVES LAST FOUNDERS' DAY  
AT PHENIX HIGH**

Not knowing definitely what the fate of Phenix would be, on Sunday, March 31, 1968 at 4:00 p.m. the PTA celebrated the last Founders' Day. Under the leadership of the President, Angus Cave, the Program Committee planned and carried out the following program:

**PROGRAM**

Prelude Music - - - - - Phenix High School Band  
Mr. Charlie Nelson, Band Director

Mistress of Ceremonies- - - - - Mrs. Jessie Nottingham

Invocation- - - - - -Rev. I.G. Gladden  
Former Phenix Teacher

Welcome - - - - - Mr. Angus Cave  
President, Phenix PTA 1967-68

Opening Selection - - - - - Phenix High School Choir  
Mrs. Janie Whiting, Director

**PHENIX IN RETROSPECT**

Academic Administration- - - - -Mrs. Elizabeth Hines  
Guidance Counselor

Tribute to Past PTA Presidents- - - - -Mrs. I.G. Gladden  
Former PTA President

Music- - - - -Mrs. Janie Whiting

Selection - - - - - Phenix Choir

Sports - - - - -Dr. Herman Neilson  
Former Phenix Teacher and Coach  
Mr. George Clarke  
Former Phenix Teacher and Coach

Remarks - - - - -Mr. D.J. Montague  
Principal of Phenix High School

Alma Mater- - - - - Band, Choir and Audience

Benediction - - - - -Rev. I.G. Gladden

## THE UNENDING END

The Phenix High School "Swan Song" composed  
for the final assembly June, 1968.

The referee's last whistle has signaled  
The end of our last Phenix game.  
The scorer's last scorebook is closed  
On the page bearing our Phenix name.

The last shoulder pad is unbuckled.  
The last quarterback has called "set".  
The last football shoe is discarded.  
The last scoring challenge is met.

The last basketball has been dribbled.  
The last shot has gone through the rim.  
The coach has called his last "time out".  
There's cheering no more in our gym.

The last spike has dug in the cinders.  
The last relay race has been won.  
The last baton exchange has been given.  
The anchor leg has long since begun.

The last tennis ball has been serviced.  
The last tennis racket is strung.  
The cheerleaders have had their last huddle.  
The last Alma Mater's been sung.

But the last Phenix thoughts have not ended.  
The last Phenix thoughts will not fade.  
For no time can erase the memories  
Of the accomplishments and sacrifices we've made.

Nothing can give back the sweat from my brow  
From the pain and the sweltering sun,  
As we went out and fought for Phenix,  
As we faced the challenges...and won.

Yes, we know...there will always be Phenix,  
Though its history ground into dust,  
For Phenix is Hampton...and athletes...and champions...  
and youth...  
And most of all...Phenix is "us".

Emory T. Turner '56

1967	Cassandra Hill and Barbara Williamson	255
1968	John Gould and Thomasena Brown	<u>275</u>
	Total	3,681

NOTE: This report represents the number of graduates. Many other students attended Phenix High School and did not finish. They either dropped out of school or moved away to other parts of the country. Although we do not have the dropout figures, we believe that most of the students remained in school until graduation.
