1967	Cassandra Hill and Barbara Williamson	255
1968	John Gould and Thomasena Brown	<u>275</u>
	Total	3,681

NOTE: This report represents the number of graduates. Many other students attended Phenix High School and did not finish. They either dropped out of school or moved away to other parts of the country. Although we do not have the dropout figures, we believe that most of the students remained in school until graduation.
